

CONTACT DETAILS	
Name:	Date:
Address:	Postcode:
Contact number:	Email:

ENERGY SUPPLY (if a new development, please supply the generator system specification information available)			
GENERATION (Please provide a copy of the last generation tariff statement if possible)			
<input type="checkbox"/> Solar PV	Size (kW):	Orientation:	Pitch:
	Year Installed:	Annual generation:	
	Current Generation tariff rate:		Current export rate:
<input type="checkbox"/> Wind	Size(kW):	Turbine model:	
	Year Installed:	Annual generation:	
	Current generation tariff:		Current export rate:
<input type="checkbox"/> Petrol/Diesel generator	Size (kW):		
	Usage pattern:		
	Fuel Consumption:		
<input type="checkbox"/> Other, please specify	Size (kW):	Model:	
	Year installed:	Annual generation:	
	Current generation tariff rate:	Current export rate:	
Are any of the listed generators curtailed or export limited? (Please provide details)			

ENERGY USE (if new build, please supply the relevant building, energy and system specification information)	
GRID SUPPLY / EXPORT	NUMBER OF PHASES: 1 P <input type="checkbox"/> 2P <input type="checkbox"/> 3P <input type="checkbox"/>
Off grid: Yes <input type="checkbox"/> No <input type="checkbox"/>	Electricity price (p/kWh):
Annual Import (kWh):	If multi-rate, please provide periods and rates: Time period Price (p/kWh)
Annual Export (kWh):	Period 1:
Grid connection max. export capacity, if known (kW):	Period 2:
	Period 3:
<i>Please provide copies of recent bills or statements</i>	Period 4:
Multi rate tariff? Yes <input type="checkbox"/> No <input type="checkbox"/>	

CONSUMPTION PROFILE:	
Number of residents living in the property:	
Property occupied during the day (Mon – Fri):	
Property empty during the night (Mon – Fri):	

GRID METERS AND CONNECTIONS (Please attach photos to support)
Import meter location (if new build, please provide detailed building/M&E plans):
Main distribution board (fuse board) location:
List any other fuse boards in your property:

LOADS:

<input type="checkbox"/> Hot Water Tank with immersion (kW):	<input type="checkbox"/> Air Source Heat Pump (kW):
<input type="checkbox"/> Electric Shower (kW):	<input type="checkbox"/> Ground Source Heat Pump(kW):
<input type="checkbox"/> Electric Cooker, hob or Aga (kW):	<input type="checkbox"/> Refrigeration (kW):
<input type="checkbox"/> Electric Heating (kW):	<input type="checkbox"/> Electric Vehicle Charger (kW):
<input type="checkbox"/> Electric Under Floor Heating (kW):	<input type="checkbox"/> Swimming pool/ Hot tub (kW):

Other: *(Please list any other similarly large electrical loads on site - size and operating hours – including plans for any new loads not yet installed)*

Further details: *(If backup system needed, which of the previous loads are required on the backup? If new build, please provide the full Energy Performance Certificate report and building design basis.*

USER EXPECTATIONS / REQUIREMENTS (if more than one applies, please prioritise)

Self-consumption (maximise generated energy usage on site)	<input type="checkbox"/>	Backup	<input type="checkbox"/>
Return on investment	<input type="checkbox"/>	Carbon reduction	<input type="checkbox"/>
		Off-grid	<input type="checkbox"/>

POTENTIAL LOCATION OF WATTSTOR® SYSTEM *(please attached photos to support)*

Proposed battery location:	Internal <input type="checkbox"/>	External <input type="checkbox"/>
Available space for battery system, length x width x depth (m):		
Distance from main distribution board:		
Specify any potential obstacles to cabling between battery system and distribution board:		

AVAILABLE COMMUNICATION:

Wi-Fi Internet Connectivity: <input type="checkbox"/>	Connectivity details:
Ethernet Internet Connectivity: <input type="checkbox"/>	
GPRS/3G/4G Availability: <input type="checkbox"/>	

Specify any potential sources of communication Interference *(thick stone walls, proposed installation location far from router etc)*:

FOLLOW UP *(Where possible, quotes are issued by email within one working week. Complex systems may require survey)*

Where did you hear about Wattstor?

Is there any further information or special consideration required? *(For example, if this is for a new build, what are the expected delivery timescales).*

Thank you for your interest in Wattstor Residential Energy Storage Solutions. Please complete as much of this form as possible and return to info@wattstor.com. This information will be used to generate a quotation for your consideration. We look forward to hearing from you and working together on your ESS project.

By returning this form, you accept that Wattstor will contact you in relation to this project. All information pertaining to your project is stored electronically in a secure environment, only accessible by Wattstor employees for developing your proposal or in connection with execution of the contract. Please note that we may provide your contact details (telephone number and email address) to our existing installers and contractors when we have received confirmation of your order. You may choose to have your details removed from our database at any time by emailing info@wattstor.com.
